

CALL FOR PRESENTATION PROPOSALS

NATI 2021 will be the 21st annual conference and the first virtual event of the Nebraska Association for Translators & Interpreters. The call for presentations is now OPEN.

Share your expertise, research and experience on Zoom with a diverse group of interdisciplinary professionals who work toward cultural competency and language access for all. NATI is seeking presenters who offer unique insights, effective strategies and timely information on topics relevant to our profession.

Speaking at the NATI Annual Conference is a challenging and rewarding opportunity. While building your reputation and widening your networking circle, you are helping to shape the future of the T&I industry. Speakers also receive free registration for the day of presentation. Hope to see you there as an online presenter!
